**KENNETH L. COOKE APPOINTED CHIEF OPERATING OFFICER & DIRECTOR
OF INTERMEDIX CORPORATION**

Fort Lauderdale, FL - Intermedix Corporation, a leading provider of technology-based business services to emergency care providers throughout the US, today announced the appointment of Kenneth Cooke to the positions of Chief Operating Officer and Director. In his new role, Mr. Cooke will lead Intermedix's operational and technology efforts.

Mr. Cooke brings a wealth of experience and leadership in operations and technology, most recently having served as the US and Global Chief Information Officer and the Office Managing Partner of the Enterprise Solutions Center for PricewaterhouseCoopers (PwC). At PwC, Mr. Cooke was responsible for setting and leading the execution of their global technology strategy, implementing cross-border applications and establishing enterprise-wide technology architecture. He also oversaw all internal support functions, comprising a team of more than 1,000 finance, IT, HR, and operations professionals. Before expanding his role to include operational and technological leadership, Ken served as a client service partner with PwC for more than a decade.

Doug Shamon, Intermedix CEO, said, "We are thrilled to be bringing in a senior leader with the experience, capabilities, and vision that Ken Cooke has displayed throughout his career. Ken has served as a global technology and operations leader in one of the world's most advanced professional services organizations. His experience and his personal capabilities will have a tremendous impact as we continue to progress as an organization. We are privileged to have him join us."

Mr. Cooke commented "The opportunity to join the Intermedix team is exciting and energizing. Intermedix has consistently proven itself to be an innovator in using technology to improve operational efficiency, quality control, and results for its clients. I look forward to being part of an organization with such a successful track record."

Mr. Cooke is based in the Fort Lauderdale headquarters of Intermedix.

Intermedix Corporation (www.intermedix.com) Intermedix helps fund and support our nation's emergency safety net - emergency physicians, hospital emergency departments and 911-emergency responders. We engineer advanced technologies into our business processes to meet incident documentation requirements, realize revenue potential, and provide advanced informatics to our customers. Our solutions are designed for performance and compliance, allowing our customers to focus on saving lives and promoting healthy recoveries from accidents and illnesses.

Intermedix serves the emergency physician and hospital emergency department market through its subsidiary EPBS, the emergency medical services (ambulance) market through its subsidiary ADPI, and the fire response market through its subsidiary Revenue Rescue. Intermedix has clients throughout the United States and has collected billions of dollars for its clients since its founding.

The Company can be reached at www.intermedix.com, or by contacting Cindy Gardner at (954) 308-8717.
