

FOR IMMEDIATE RELEASE:

Medical Consultants Honored as One of 2008 Best Places to Work in Oklahoma

Oklahoma City, OK -- May 16, 2008 -- Medical Consultants, Inc. (dba Emergency Physicians Billing Services) has once again been named one of the Best Places to Work in Oklahoma. During a reception at the Cox Convention Center on May 1, OKCBusiness presented Medical Consultants with the ranking of 5th in the large employer category (250 or more employees).

The Best Places to Work program was created in 2004 by the Best Companies Group to help find and recognize employers that promote and maintain excellence in the workplace. This initiative is currently in place in 19 other states.

“We are extremely pleased to receive this honor again for 2008 and we take great pride in the recognition of the quality of our workplace,” said Ken Goodin, the President of Medical Consultants, Inc. “We recognize that behind every medical record is a patient who deserves to be treated with courtesy, dignity and respect. We take care of business, but we have fun getting in done.”

About Medical Consultants, Inc.

Established in 1983, Medical Consultants, Inc. is a subsidiary of Intermedix Corporation. Intermedix serves the emergency physician and hospital emergency department market through its subsidiary EPBS, the emergency medical services (ambulance) market through its subsidiary ADPI, and the fire response market through its subsidiary Revenue Rescue. Intermedix has clients throughout the United States and has collected billions of dollars for its clients since its founding.
