**THE CITY OF LAUDERHILL, FL AWARDS TECHNOLOGY SERVICES
CONTRACT TO INTERMEDIX**

Fort Lauderdale, FL – (February 2, 2012) – The City of Lauderhill Fire Rescue Department and City Commission have awarded Intermedix with a new three year contract with two one-year extensions to continue EMS billing services and add its proprietary TripTix[®] electronic patient care reporting solution.

Intermedix has served the City of Lauderhill as its EMS billing provider for the past 15 years, and will bring the Department the added functionality of its state-of-the-art electronic patient care reporting solution, TripTix, with this contract. This new contract award adds to the extraordinary client renewal rate Intermedix is proud to continually achieve, demonstrating a high level of satisfaction and confidence among its client base.

About the City of Lauderhill

The City of Lauderhill, Florida, via the Fire-Rescue Department, has been providing Basic (BLS) and Advanced Life Support (ALS) ambulance services to the citizens and visitors of Lauderhill since October 1, 1996.

About Intermedix Corporation

Intermedix (www.intermedix.com) focuses on the highly fragmented emergency healthcare system by delivering healthcare information technology and business solutions to manage the revenue cycle, promote preparedness and interoperability, and support incident response management, documentation and reporting.

Intermedix provides revenue cycle management services for emergency physicians and hospital emergency departments, emergency medical services (ambulance) agencies, urgent care centers, and fire departments throughout the United States and has collected billions of dollars for its clients. The Company also provides hosted technology solutions for state and local public health agencies, hospitals, urgent care centers, emergency medical services agencies, and fire departments using the brand names EMResource[™], EMTrack[™], CORES HAN[™], CORES RMS[™], CORES CMS[™], CORES ANS[™], TripTix[®], and Fleeteyes[™].
